

Breast Cancer Focus Group

**Want to learn more about breast cancer
and breast health, including prevention, detection,
treatment, and cures?**

Stó:lō Nation Health Services is looking for 6-8 women
between 15 and 75, from 12:00-3:00pm on Tuesday, December 14, 2010
at Stó:lō Nation Health Services (7201 Vedder Road, Chilliwack)

Your participation will include reviewing breast cancer educational media,
providing feedback and recommendations on cultural appropriateness of awareness tools, how
communicating breast cancer information can be strengthened, and more.

**Be a champion and leader in the area of women's health.
Call Inez Jasper at Stó:lō Nation Health Services to register:
604-824-3200 or toll-free 1-877-411-3200.**

Please identify if you are a breast cancer survivor,
and/or if you and your daughter(s) are attending as a mother-daughter set.

Participants will be given a \$70.00 honorarium
after their full involvement of the focus group session.
