A MESSAGE FROM THE OFFICE OF THE EXECUTIVE DIRECTOR (OED)

Congratulations to the Directors and staff for receiving approval of the Stó:lō Service Agency (SSA) 2024-25 Budgets, Workplans, and Organizational charts at the March SSA Board of Directors meeting.

It has certainly been a crazy month with the technical difficulties SSA has faced since April 4th, 2024. My hands go up to the IT department for all the extra man hours they have endured to ensure that operations are restored as quickly as possible, to the contractors brought in to assist with getting our systems back up and running and the progress reports from IT helping Management navigate through this process. A special shout out to the health department, especially Lauralee and Chino for the admin support and keeping them nourished throughout this ordeal. Thank you all for your patience and understanding as we all continue to work through this unfortunate event.

The Office of the Executive Director (OED) are preparing for:

- Upcoming Board of Directors and SNCC meetings;
- Continuing work with ISC for the final completion of the Additions to Reserve paperwork that has been sent off to Canada for signature;
- Setting up a pre-demo HazMat assessment at St. Mary's (Pekw'xe:yles). Once the building is empty, we will arrange a site visit and SSA will receive a detailed Scope of Work and cost estimate for review; and,
- Continuing the collection of endorsement emails for the SSA workplan from member bands as per Tribal Council funding requirements requested yearly.

Lastly, over these next few weeks the OED and Management team will be preparing for our upcoming SSA AGM in June with the reviewing and finalization of the 2023-24 SSA Annual report and Audit completion.

A friendly reminder from Cheam First Nation: Please update your records and address for all future communication to councilexecassist@cheamband.com.

COVID-19 PROTOCOLS

SSA continues to reinforce in-place preventative measures. Variants of COVID-19 spread the same as the original COVID-19 so the measures already in place continue to be effective at reducing the spread. Please be diligent in doing your part to help reduce the spread which include doing your daily health check, staying home when feeling sick, using available space to spread out and respect personal space, wearing masks if required, cleaning hands, and disinfecting work surfaces regularly. If you are feeling ill or test positive for COVID-19, notify your supervisor and stay home.

Investigating Unmarked Graves at Multiple Sites Associated with Three Former Residential Schools in S'ólh Téméxw

Stó:lō Nation Chiefs' Council (SNCC), under the leadership of Chief David Jimmie, President of the SNCC, has launched a broad-based and inclusive initiative to investigate potential unmarked graves and missing children related to three of the former Residential School sites within S'ólh Téméxw: the former St. Mary's, Coqualeetza, and All Hallows institutions in Mission, Chilliwack, and Yale. The project team will carry out archival, oral historical, and on-site remote sensing work in search of identifiable unmarked graves. We are also working with local Stó:lō First Nations including Sqwá, Sq'ewqéyl, and Ch'íyáqtel regarding unmarked burials known to have been relocated to each of their cemeteries from the Coqualeetza Grounds. For more about this work, please visit *www.stolonation.bc.ca/residential-school-project-information*
